

6 VITAL BIO-CULTURED HUMAN STRAINS
PROBIOTIC DIGESTIVE ARMOUR

DIGESTA GUARD

PERQUE DIGESTA GUARD: THE SYNERGY OF 6 PROBIOTICS

WHY YOU NEED DIGESTA GUARD

PERQUE Digesta Guard is essential for individuals who take antibiotics. These medications wipe out "good" as well as "bad" bacteria, leading to complications, such as yeast infections, maldigestion, constipation, or diarrhea and nausea. **Digesta Guard** effectively **rehabilitates the digestive system by restoring the body's healthy, digestive organisms and clearing out toxins in the intestines.**

As individuals age, digestive malfunctions become more common. Breakdowns in the digestive tract are linked with antibiotic use, unhealthy diet, food allergies, heartburn, gastritis, ulcers, hemorrhoids, flatulence, constipation, and colon cancer risk.

PERQUE Digesta Guard is a probiotic supplement that actually replaces "bad" bugs with **six beneficial, human-strain bacteria**. It thereby improves digestion and **wards off dietary toxins**, such as pesticide residues, hormones in foods, and toxic metals like lead or mercury.

POTENT DIGESTIVE AID

The active bacteria in **PERQUE Digesta Guard** help break down food more effectively than any other digestive aid available. **Digesta Guard** is unique for the following four reasons:

- 1) Only biocultured human-sourced strains are used to ensure maximum implantation and function.
- 2) Six strains of **probiotics are harvested at their most dynamic, active growth stage and then rapidly freeze dried**, which puts the bacteria into suspended animation. This makes **PERQUE** probiotics viable for long periods of time. In contrast, many other probiotic supplements wait for the highest density of bacteria, even though many starve to death in the production vat. **PERQUE's** complex process delivers a more potent product.
- 3) **No dairy products or corn** are used in its production.

ONE CAPSULE PROVIDES:

Vegetable fiber (inulin) 340 mg.
Vitamin C (corn-free ascorbate) 1 mg.
Maltodextrin 35 mg.
Magnesium (as vegetable stearate) 9 mg.
Gelatin capsules 234 mg.

Typical Dosage

Take one (1) to six (6) capsules daily with food or as directed by your health professional. Capsule may be opened and sprinkled on food.

Available in bottles of 100 capsules.

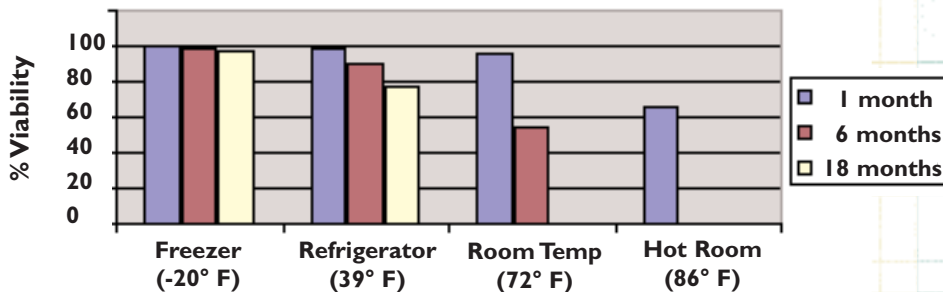

Available with and without
FOS (Fructooligosaccharide).

Grown on maltodextrin from rice.

Probiotic Organisms

L. rhamnosus R049 672 million
L. casei R256 672 million
L. acidophilus R052 672 million
L. plantarum R202 336 million
B. longum marinaga BB536 672 million
B. breve R070 336 million
Total healthy organisms 3.360 billion

PERQUE DIGESTA GUARD PROBIOTIC VIABILITY

Note: This means that **PERQUE Digesta Guard** remains 98% active the first month at room temperature. For longer storage, keep in a refrigerator or freezer.

MULTIPLE USES FOR PROBIOTICS

Billions of bacteria—over 400 species—live in the human body. Most of them can be found in the digestive tract.

Besides enhancing digestion, probiotics support human health by performing the following functions:

- Manufacturing B vitamins, such as niacin (B-3), pyridoxine (B-6), folic acid, and biotin.
- Lowering high cholesterol levels to support cardiovascular health.
- Recycling estrogen, a key female hormone, thereby decreasing the risk of menopausal symptoms and osteoporosis.

- Supporting the treatment of acne, psoriasis, eczema, allergies, migraines, gout, rheumatic and arthritic ailments, cystitis, candidiasis, colitis, irritable bowel syndrome, and some types of cancer.

THE PERQUE GUARANTEE

Like every other **PERQUE** product, **Digesta Guard** comes with a 100%, unconditional, money-back guarantee—the strongest guarantee in the natural health industry. This unique guarantee provides the assurance that:

- Every **PERQUE** product provides 100% potency and activity for its entire shelf life.
- Every ingredient used in a **PERQUE** product is pharmaceutical-grade or better.
- Full label disclosure is provided for all **PERQUE** products—no hidden ingredients.
- Every **PERQUE** product is activated with the same transporters that are used by nature and in food to ensure full bioavailability. The biologically preferred form of an ingredient is always used for enhanced activity.
- Free of wheat/gluten, corn/zein/starch, dairy/casein/whey/milk derivatives, sulfate, yeast, soy, phosphates (other than coenzymes), and preservatives.
- No genetically modified organisms (GMOs).
- 100% vegetarian formula.
- Unique post-production assays and clinical bioassays assure product integrity.

YOUR QUALITY ASSURANCE

Every **PERQUE** product is produced following or exceeding the FDA's pharmaceutical GMP (Good Manufacturing Practices) regulations.
