

ENERGIZED L-GLUTAMINE + PAK
OVER 50 PEER-REVIEWED STUDIES

PERQUE ENDURA GUARD: POTENT SUPPORT FOR INCREASED ENDURANCE

WHY YOU NEED ENDURA GUARD

If you suffer from constant **fatigue** or wish to **support intestinal wall repair**, your best choice is **PERQUE Endura Guard**, a remarkable, energy-boosting, non-stimulant formula.

Approximately one out of five individuals consults a physician about fatigue. Fatigue is a symptom of several conditions, including depression, anemia, hypoglycemia, Addison's disease, hypothyroidism, chronic fatigue syndrome, or fibromyalgia.

Fortunately, **fatigue can often be remedied by addressing the cause(s)**, including dietary changes, consistent exercise, and improved sleep habits. Specific nutritional supplements can be key to correcting nutritive deficits and enhancing toxin elimination.

ENDURA GUARD BUILDS VITALITY

PERQUE Endura Guard provides exceptional nutritional support for **muscular stamina** and **mental sharpness**. It contains a unique combination of L-glutamine and pyridoxal alpha-ketoglutarate (PAK).

Glutamine is a primary fuel for the intestines, muscles, brain, and liver. PAK naturally recycles L-glutamine, so the body can use it over and over again. Because of this combination, **one gram of the L-glutamine + PAK in Endura Guard is worth five to 10 grams of any other glutamine. By recycling L-glutamine + PAK, Endura Guard protects against glutamate build-up.**

WHO SHOULD TAKE IT?

You need **PERQUE Endura Guard** if you:

- 1) Need **more endurance**;
- 2) Are **constantly fatigued**;
- 3) Feel **mentally sluggish**; or
- 4) Want a **faster recovery after exercise**.

Endura Guard is also an excellent choice for people with intestinal irritations. Intestinal surfaces are susceptible to erosion from mechanical action, toxins, and the products of abnormal bacteria. Symptoms include diarrhea or chronic constipation. The L-glutamine and PAK in **Endura Guard** helps regenerate the intestine's surface cells.

ENDURA GUARD

THREE CAPSULES PROVIDE:

Energized Nutrients

L-glutamine (free form) **1,500 mg.**
PAK (pyridoxal alpha-ketoglutarate) **500 mg.**
Magnesium (as vegetable stearate) **13 mg.**
Kosher gelatin capsules **324 mg.**

Typical Dosage

As a dietary supplement, take three (3) capsules on an empty stomach upon rising and three (3) capsules before bed or as directed by your health professional. Plus, if you are exercising, take three (3) additional capsules a day.

Available in bottles of 60 and 180 capsules.

DIAGNOSING CHRONIC FATIGUE SYNDROME

When is it garden-variety tiredness, and when is it chronic fatigue syndrome (CFS)? CFS is characterized, according to the U.S. Centers for Disease Control (CDC), by the following symptoms:

- Persistent fatigue for over six months,
- Sore throat,
- Tender lymph nodes,
- Muscle pain,
- Impaired memory and ability to concentrate,
- Pain in many joints without swelling or redness,
- Headaches, or
- Severe malaise lasting over 24 hours after exercise or exertion.

Even after years of research, the actual cause of CFS is still not known. Before developing a treatment program, physicians are advised to examine the CFS patient to identify possible causes. Often,

food allergies, or dysfunction of the thyroid, pituitary, or adrenal glands are implicated in fatigue.

One study of CFS patients noted that their adrenal glands had shrunk by 50%, indicating significant atrophy. Reduced oxygen delivery to the muscles and vitamin B deficiencies have also been observed in CFS.

PERQUE Endura Guard

is observed clinically to benefit some people with CFS.

THE PERQUE GUARANTEE

Like every other **PERQUE** product, **Endura Guard** comes with a 100%, unconditional, money-back guarantee—the strongest guarantee in the natural health industry. This unique guarantee provides the assurance that:

- Every **PERQUE** product provides 100% potency and activity for its entire shelf life.
- Every ingredient used in a **PERQUE** product is pharmaceutical-grade or better.
- Full label disclosure is provided for all **PERQUE** products—no hidden ingredients.
- Every **PERQUE** product is activated with the same transporters that are used by nature and in food to ensure full bioavailability. The biologically preferred form of an ingredient is always used for enhanced activity.
- Free of wheat/gluten, corn/zein/starch, dairy/casein/whey/milk derivatives, yeast, soy, sulfate, phosphates (other than coenzymes), and preservatives.
- No genetically modified organisms (GMOs).
- 100% vegetarian formula.
- Unique post-production assays and clinical bioassays assure product integrity.

YOUR QUALITY ASSURANCE

Every **PERQUE™** product is produced following or exceeding the FDA's pharmaceutical GMP (Good Manufacturing Practices) regulations.
